

**BRINGING
radKIDS INSTRUCTOR-TRAINING
TO YOUR COMMUNITY**

Building a Safer World
One Child at a Time

radKIDS primary mission is to provide the radKIDS educational curriculum and skills to every community across the county To do that we provide the radKIDS Instructor Training and Certification Program; a 5 day (40-hour) instructor certification program that trains, certifies and licenses radKIDS Instructors in their own communities.

radKIDS has been developed for three (3) age groups: Pre-School, 5-7year olds, and 8-12 year olds (K-6th grade). radKIDS provides the tools and process to share the real life skills of radKIDS with the children and families in your community. This comprehensive 5 day Instructor Training Program includes:

- All the curriculum and teaching materials (curricula and syllabi) to share radKIDS in an activity based, multi-sensory developmental educational classroom,
- All cognitive teaching materials for all three of our 8 to 10 hour life skills educational programs,
- Teaching models activity syllabus,
- A model flipchart for classroom delivery, and
- Annual licensing to print the Family Manuals and Student Coloring and Activity Books needed for successful delivery of the radKIDS Personal Empowerment Safety Education Curriculum. (This copy privilege allows each instructor to reach as many kids as they wish in a community or a school to provide radKIDS to every child in the school for as little as pennies a child.)

radKIDS easily meets or exceeds the educational teaching standards and requirements in elementary PE or Health Education in all 50 states we encourage you to bring radKIDS right into the schools.

radKIDS is the only holistic, hands on, multi-sensory educational program in the country designed to break the cycle of violence and victimization in our children lives. We have developed a life skills educational model that uses safety education to build resiliency and empower children against all predatory violence in their lives to include; Abduction, Bullying, Child Abuse and Neglect and Sexual Assault/ Abuse.

**radKIDS INSTRUCTOR TRAINING PROGRAMS
The radKIDS Community Initiative Package**

Our most effective training package is The radKIDS Community Initiative Package. This “soup to nuts” approach provides training and certification for your community’s team of instructors as well as all the materials and equipment you will need to reach hundreds if not thousands of children and families in your community today and into the future. See further information below
